Catholic Primary School

# News

Dear Parents/Carers,

As we enjoy the warmer weather, we'd like to remind everyone of the uniform expectations at All Saints Catholic Primary School. Wearing a uniform has several benefits, including promoting pride in our school but most of all ensuring a level playing field for all children, especially in this cost of living crisis. With this in mind, we ask that where items of clothing do not come with the school logo, they remain plain and unbranded.

### Uniform Expectations:

- Black shoes, unbranded
- Grey or black trousers/shorts/skirt or pinafore, unbranded
- White shirt, unbranded
- School tie
- Grey Sweatshirt or cardigan sweatshirt or cardigan (with or without the school logo)
- White or grey socks or grey tights
- In the summer term, blue and white summer dress (white shoes optional) unbranded

### PE Kit (to wear on PE days):

- School PE T- shirt and shorts set
- OR
- Plain black T- shirt, unbranded
  - Plain black shorts, unbranded
  - Optional black or Navy tracksuit bottoms or under armour for outdoor PE, unbranded

### Items of Jewellery:

- We allow small stud earrings and analogue watches. Smart watches are not allowed.
- All jewellery must be removed during PE lessons*

### Hair & Accessories:

- Hairstyles should be appropriate for a school setting, and long hair should be tied back
- Hair accessories should be minimal

### Additional Information:

In extreme temperatures, we'll provide guidance on recommended attire for comfort

If you are struggling in any way to provide uniform, please do not hesitate to contact Mrs Maguire, Mrs Wignall or Mrs Hanlon and we will do our utmost to help.

For the full policy, visit [here](#).

## Well Done Year 6

A huge well done and round of applause for our fantastic Year 6 students, who have completed their KS2 SATs this week.

We are so proud of you all and how you have coped this week – working with such maturity, enthusiasm and dedication. You are all amazing! We would also like to thank all parents, guardians and family members for your support and for helping to get the children in on time this week. Thank you to our Year 6 staff for preparing the children so well for their SATs.

## 'Break the Rules Day'

On Thursday 23rd May we will be holding a 'Break the Rules Day' in order to raise money for the All Saints Scout group. This group relies on fundraising in order to give local children more opportunities. Previously, the group has carried out its own fundraising but we feel, as a school, we would also like to contribute however we can.

Children will be asked to pay a 'fine' for breaking the rules, for example £1 to bring a chocolate bar for snack.

There will be a list of rules that children can choose to break and they then pay the corresponding fine. More details to follow . . .

## First Holy Communions

Tomorrow, children from 4B will be making their First Holy Communion in our Parish Church of All Saints. The pupils have been prepared ever so well and are really looking forward to their special day, supported by their families and their school. This sacrament is the next stage from baptism, as they develop a closer relationship with God.

## Year 3 & 4 Football

Well done to the Y3&4 boys football team who had an impressive 5-0 win against Our Lady Bishop Eaton.

## Key Dates in May

## Stranger Danger

Please remind your child to be aware of potential dangers from strangers on the way to and from school.

## Drama Club

Please note that Drama Club will resume after the half term holiday.

## Prayer and Liturgy

The theme next week is 'The Holy Spirit Comes'.

## Coming Soon . . .

### World of Work Week

During the Summer term, we will be having a 'World of Work Week'. If you would like to come in and speak to some of the children about your job, please contact Mrs Maguire (j.maguire@allsaintsanfield.co.uk).

**Languages Week:** more details to follow

**School Musical 'Grease':** more details to follow

**Sports Week:** more details to follow

## Preparing for Summer

During the hot weather, please send children into school with a cap and water bottle.

Please ensure that you put sunscreen on your child before they come to school. If your child does bring sunscreen into school, they must not share it with other children due to potential allergies.

If your child suffers from hayfever, please make the school is aware of this. If they require medication, please give them this before they come to school.

## Attendance

Whole school attendance for this week is 91.2%.

Congratulations to 6SM who achieved 97.7%.

Well done!

*It is important that your child is on time for school each day, so that they can benefit from a full day's education.*

A reminder that holidays during school time are not authorised whatever the circumstances and a local authority fine will be issued. If you do take your child on holiday, please inform us before you go as it could become a safeguarding issue if we cannot contact you.

If you are taking your child out of school during the school day, you must show a letter/email/ appointment card. Please do your best to make appointments outside of school hours. Please report any absences before 9.00am via parents app or telephone call.

## Enhanced Provision Residential

On Wednesday 8th May, 9 intrepid children from the Enhanced Provision travelled to Crosby Lakeside to start their residential.

The children were staying at the brand new bunkbarn. For many of the children, it was their first stay away from their family home. The children designed their own menu and the school staff were on hand to prepare all meals as the setting is self catering.

The children had an array of activities to take part in, including two water activities.

The children had a party on the first night as both Arif and Miss Caitlin were celebrating their birthdays.

The second night, all children were in bed by 7.30pm as the beach walk in the evening exhausted everyone. Everyone had such a great time and we are hoping to go again next year.

## The Holy Spirit Comes

This weekend we celebrate the feast of Pentecost, which the Jews celebrated fifty days after the Passover. On this day we celebrate the birthday of the Church, and hear how Jesus sent his Holy Spirit to the disciples, just as he had promised to do.

### A Reading from the Acts of the Apostles

The disciples had gathered together in Jerusalem to celebrate the Feast of Pentecost and to wait for the Holy Spirit that Jesus had promised to send.

One day as they were praying together, the room was suddenly filled with the sound of a powerful wind which roared through the house. Then, what looked like small tongues of fire appeared and spread out to touch each one of them. So it was that they were filled with the Holy Spirit.

At once, in their excitement, they rushed outside to tell everyone what had happened to them. As they began to speak, they were amazed to find that they could talk in foreign languages that they had never spoken before. People from lands far and wide gathered in a crowd to listen to these men from Galilee. They were amazed, and came to believe in Jesus.

So it was, from that day onwards, the disciples went around telling everyone about Jesus, and sharing all that he had taught them. They were no longer afraid, for wherever they went, Jesus went with them. Now his Spirit lived inside them, and they would never feel alone again.

Imagine you are one of Jesus' disciples, sitting quietly together in a room, and imagine the sounds and feelings the disciples must have felt.

What did they hear? - A sudden furious wind, gusting through the room.

How do they think the disciples felt when they heard and felt this mysterious wind? - They probably felt surprised by its suddenness and frightened when they realised it came from inside the house, when everything outside was calm.

How else did the Spirit appear? - As small flickering flames which rested above their heads.

If you saw flames above your head, what would you do? - Probably panic and try to put them out!

But these were no ordinary flames, they were signs of God's Spirit coming to fill the lives of the disciples with the light and warmth of God.

How did the Spirit change the disciples?

- he made others understand them, even if they did not speak the same language.
- he filled them with courage and power so that they could stand up before the crowds and preach, and work miracles in God's name.

What else did the Spirit give to the disciples? - He brought seven gifts: joy, love, patience, kindness, understanding, reverence (respect), courage. All these gifts helped the disciples to be able to go and spread the message of Jesus. The gifts of the Spirit help us to follow the right path on our journey through life towards heaven, they fill us with God's goodness.

When do we receive the Holy Spirit in a special way? - He comes to us first at baptism and then his power is refreshed in us at confirmation.

Scented oil called Chrism is used to anoint people at baptism and confirmation as a sign that the Spirit has made them special and fills their lives with his 'fragrance'.

Come, Holy Spirit,  
and fill our hearts with your love.  
Work through us to bring Jesus  
to those who do not know him,  
so that we may share his love with others.  
Amen.

Childhood Immunisation

### Background information

The UK's childhood vaccination programme prevents around 5,000 deaths, and over 100,000 hospital admissions, each year in England.

Vaccinations have ensured the UK has been declared free of diseases such as polio, with others, like diphtheria, almost fully controlled. However, in recent years we have seen a trend of lower vaccine uptake, and this has been exacerbated by the pandemic.

England no longer has the high levels of population immunity recommended by the World Health Organisation for highly infectious diseases like measles to be eliminated (95%), and this has led to increased risk for those who are unvaccinated or under-vaccinated.

Preventable childhood infections can have a huge impact on a child's life: they can miss out on education due to time spent unwell, be hospitalised, and have life-long complications such as deafness, blindness, encephalitis (infection of the brain) and paralysis. Sometimes they can cause death.

We have already begun to see increased cases of measles and whooping cough, with outbreaks around the country, so there is an urgent need to ensure children are vaccinated and protected against these serious illnesses.

All information taken from Childhood immunisations campaign 2024 Communications toolkit for NHS and local authorities

**How to book your child's vaccination appointment**

You will be contacted by your GP surgery when your child is due a routine immunisation – this could be by phone, text or email.

If your child has missed any vaccinations, then it is best to speak to your GP surgery. While it is best for your children to have their vaccinations according to the NHS vaccination schedule, it is never too late to check if they can still have them.
