## Love One Another

*John 15:9-17*

*Jesus loves each one of us so much, that he died on the cross so that we could share eternal life with him. He asks us to be generous and to share this love with all of mankind.*

### Gospel

One day Jesus said to his disciples: 'I love you just as my Father loves me. If you do as I ask then you will always be close to me, and my Father will love you too. I want you to love each other in the same way as I have loved you. I have chosen you to be my friends, and am sending you out to share this love with the rest of the world.'

What did Jesus ask his disciples to do? - To love one another as he had loved them. Jesus reminded his disciples many times that the greatest commandments were to love God and to love each other.

What does it mean to love another person? - To love someone else means that you care about another person, about their happiness and the things which happen to them. You want only the best for them, and for them to grow in love and goodness.

Jesus's love for us was so great that he did an extraordinary thing for us. What did he do? 'Greater love has no man, than to give up his life for others.' Jesus loved us so much that he was ready to die so that we could live and share new life with him in heaven. Sometimes in times of life with him in heaven, sometimes in times of disaster, people behave heroically by saving the lives of others instead of their own. Their love for another person is so great that they put that person's needs before their own.

Jesus asked us to share his love with each other, In what ways can we do this? We can put our love into action: by spending some time with someone who is lonely, by offering help to someone who needs it, by sharing our happiness with others.

We can put our love into words: by telling the members of our family how much we love them, by praying for the needs of other people, by praising and thanking God for all that we have. Jesus lives inside each one of us so whatever we say or do to each other, we say or do it to him. We can make everything we do a little act for God.

Heavenly Father  
our hearts are brimming over with your love.  
Help us to be generous  
and always ready to share this love  
with everyone we meet.  
Amen.

### Why is May the month of Mary?

Traditionally, Catholics devote the whole month of May to celebrating and honouring Mary, the mother of Jesus. Mary is even sometimes known as the 'Queen of May'. There is even a 'May Crowning', where an image or statue of Mary is crowned, sometimes with flowers. There are also 'May altars', which might be in a church or at home. The May altar is usually a table covered in a blue or white cloth, with pictures or statues of Mary, candles, flowers, and rosary beads.

*Hail Mary, full of Grace  
the Lord is with thee,  
blessed art thou among women,  
and blessed is  
the fruit of thy womb, Jesus.  
Holy Mary, Mother of God,  
pray for us sinners,  
now and at the hour of our death.  
Amen.*

### Ascension Day

*On Thursday 9th May we celebrate the Ascension of our Lord into heaven, when we mark the final appearance of Jesus after his resurrection and celebrate his exaltation to the Father. While in one way the Ascension means saying farewell, in reality it is about a new way of the Lord being present to us and within us by the power of the Holy Spirit. This gives us cause to rejoice and to give thanks.*

*Even in his departure from them,  
Christ blesses his Apostles.  
In his Ascension, Christ promises  
his followers a new and inspiring Friend.  
Returning to his rightful place in heaven,  
Christ asks the Father to bless us with his Spirit.  
Bless us Lord with your Holy Spirit.  
Amen.*
